

CHUTE POND SNOWMOBILE CLUB

Dear Supporters of Robby & Dave,

December 2008

All of the groundwork is in place for the R4RD- Chute Pond Snowmobile Club's 2nd Annual Benefit- Ridin' for Robby & Dave, to be held Friday, February 27 through Sunday, March 1, 2009. We are pleased to announce that new this year is our fund matching by Thrivent Financial for Lutherans.

The enclosed or attached documents give the details of the event, and include a sponsor sheet for gathering rider or participant donations and sponsors. Last year's 1st Annual Chute Pond Snowmobile Club Benefit Ride, the Cancer Crusher Cruise, raised over \$10,000.00 for Della & Katie, and with full community involvement, we should expect to equal or surpass this amount with this year's benefit.

Last year one of the top money raisers was not even a snowmobile rider or a club member- just a person who wanted to help, so they took sponsor forms and raised \$535.00 by asking friends to help. This is the kind of commitment and involvement we are asking for again this year.

Please copy and distribute this letter, the R4RD flyer and sponsor sheet to family, friends, and businesses in the community. The time is right now to save these dates, to start promoting this benefit, and to begin getting sponsors for yourself or sponsoring someone else.

I am looking forward to hearing your success stories as you begin to gain sponsorship and momentum. The weekend of the ride will be a fun time you will not want to miss. I will be planning a Saturday ride route that will involve pit stops at various CPSC member businesses for some R&R- refreshments and raffles. You are welcome to join us on our ride, or plan your own route. The important thing is that you make the commitment now to get involved.

Thanks,

Dan Guendert, Secretary &
Membership Director
Chute Pond Snowmobile Club
R4RD Ride Chairperson
