Did You Know?

AWSC & CPSC Membership Tidbits

1. Starting this year, the AWSC no longer recognizes secondary (or social) memberships as members of the secondary club. If you belong to more than one club, you still have two options: 1. Deduct \$10 and remain a secondary member. 2. Pay the additional \$10 (as a contribution to the AWSC) and send in the full membership amount for each club you join.
2. Your 19 year old (and older) children are no longer members of our club. According to AWSC rules, they must join on their own to remain members. Starting this year, CPSC is offering discounted \$10 memberships to 19-23 year old full time college students and active military. We encourage all young adults to take advantage of this great offer and continue their memberships in our club and the AWSC.
3. According to CPSC by-laws, memberships run from August 1 until the following July 31, regardless of when you join. Memberships must be renewed on or before November 15 to remain a "member in good standing". Only members in good standing have voting rights in our club, which includes voting at meetings as well as voting for Officers and Board of Directors in March.

Membership Invoice is Due

If you Haven't Already Sent it in....

Included with this newsletter is a membership renewal invoice form. Club memberships run from August to August each year, which means your renewal is due now. New this year is a discounted membership rate for full time students and active military members. You can also pre-order your 2011 raffle calendars at the same time. Please fill in the form, and send it in with your check as soon as possible. Thank you.
